Sonetel Awarded a 2015 Communications Solutions Product of the Year Award

The Sonetel Service Recognized for Exceptional Innovation

STOCKHOLM, SWEDEN (August 24th, 2015) — Sonetel announced today that TMC, a global, integrated media company, has awarded The Sonetel Service a 2015 Communications Solutions Product of the Year Award.

"We are greatly honored by this award." said Henrik Thomé, CEO and Founder, Sonetel "As global leaders in the area of international phone numbers for SMBs, we are excited to now also have an API – allowing us to reach brand new customer segments".

"Congratulations to Sonetel for being honored with a 2015 Communications Solutions Product of the Year Award," said Rich Tehrani, CEO, TMC. "The Sonetel service is truly an innovative product and is amongst the best solutions that facilitate voice, data and video communications brought to market in the past twelve months. I look forward to continued excellence from Sonetel in 2015 and beyond."

About Sonetel
Sonetel is a Swedish company with offices in India and data centers in the US and the Netherlands. The company provides an affordable global telephone solution to small and medium size business worldwide. The service includes local phone numbers with global call forwarding as well as other business telephony services. Sonetel has paying customers in over 160 countries. Over 400,000 companies have signed up for the service.
The Sonetel API allows companies to add telephony to their service portfolio and to leverage Sonetel's global, high quality telephone service as an integrated part of their own business solution.
